## About Our CEO

Mr. Jamil Thorne

Jamil Thorne, our esteemed founder, brings over a decade of dedicated experience in guiding high school and college students toward achieving their academic and career aspirations. With a comprehensive background in higher education, Mr. Thorne has excelled in various capacities, including admissions, academic advising, disability services, and career counseling. A strong advocate for students with disabilities, Jamil has consistently worked to empower students to overcome barriers and realize their potential, ensuring that every individual has the support and resources they need to succeed in the workforce and beyond.

## Services Provided

---

At Thorne Consulting, we offer a comprehensive range of services to help students and job seekers build career skills and succeed in the workforce.

## Pre-Employment Transition Services (Pre-ETS)

---

Helping students with disabilities prepare for a successful transition into the workforce. Pre-ETS offers a variety of services that empower students to build skills for their future careers.

### Our Services Include

#### In-Person On-Campus Instruction

Hands-on learning directly on school campuses to help students gain workplace readiness and career skills.

#### Virtual Services

Access our services remotely with virtual training and career exploration options.

## Employment Services

---

We provide comprehensive support for individuals seeking employment. From job skills training to job placement, we guide students and job seekers toward achieving long-term career success.

## Our Services Include

---

### Job Skills Training

Enhance your abilities through practical, hands-on training in various career fields.

### Job Placement Services

We connect you with potential employers and provide comprehensive support through the application and interview process to ensure you land the right job.

## Work Readiness Services

---

Our Work Readiness Services are designed to ensure participants are fully equipped to enter and thrive in the workforce.

### We Provide

#### Work Adjustment Training (WAT)

Learn how to adjust to the work environment, develop appropriate work behaviors, and improve time management.

#### Vocational Adjustment Training (VAT)

Specialized training to help individuals with disabilities adjust to the demands of specific careers and workplace settings.
